INTERIOR FINISHING PRODUCT

INTERIOR FINISHING PRODUCTS

Stratificato Print HPL is a material that offers excellent qualities, both functional and aesthetic. Its resistance to wear and vapour, its hygienic properties as well as its versatility in machining and assembly make it the ideal material for self-supporting furniture systems.

Stratificato Print HPL is the most qualitatively reliable material and the one with the most extensive aesthetic potential for building change rooms, shower and toilet cubicles, lockers, cabinets, benches, partition walls and doors.
